FROM THE GARIWERD SIX SEASONS CALENDAR

gwangal moronn

season of honey bees - autumn
(late march to june)

Sunrises, Bees and Flocking Birds
Autumn (the season of native
honey bees or gwangal moronn) is
when the country starts to cool
down after the summer heat.

WRAP UP...

Well I hope everyone is ready for the Easter madness.

For those who see Easter as primarily a Christian festival, here are our local church services. Good Friday: nothing in Halls Gap, 9.30 at Pomonal church. Easter Sunday: 8 am in Halls Gap, 10 am in Pomonal. And some of us are joining ecumenical celebrations in Stawell, 11.30 am on Good Friday, 6.30 am at Big Hill on Sunday. We very much welcome visitors.

School Holidays means fun activities for the children check out pages 6 & 7.

Hope to catch up with you at the many special events in our region over this festive and holiday time.

Bins

Did you know it is an offence to leave your rubbish bins on the curb when it is not your collection day? Council by-laws state that bins 'must not be placed on a road or any other municipal place more than 24hrs prior to the scheduled collection day'. They must also be removed within 24 hours of their scheduled collection day. Similarly the owner or occupier is responsible for any debris that has spilled from their bins.

Bins left out in our beautiful tourist town look unsightly to say the least and we urge everyone to be responsible in bringing their bins inside their property once they have been emptied on a Monday!

Drones

There has been an increase in the use of drones within Halls Gap by both tourists and residents. Whilst many operators are responsible, there are some who have little regard for the humans or animals around them! The Civil Aviation Safety Authority has provided the following guidelines for drone operators on abide.

More information can be obtained on the Civil Aviation Safety Authority (CASA) website.

DRONE SAFETY
INFORMATION**

 <p>You must not fly your drone higher than 120 metres (400 feet) above ground level.</p>	 <p>You must keep your drone at least 30 metres away from other people.</p>	 <p>If your drone weighs more than 250 grams, you must fly at least 5.5 kilometres away from a controlled airport, which generally have a control tower at them.</p>	 <p>If you're near a helicopter landing site or smaller aerodrome without a control tower, you can fly your drone within 5.5 kilometres. If you become aware of manned aircraft nearby, you will have to manoeuvre away and land your drone as quickly and safely as possible.</p>
 <p>You must not fly over or above people or in a populous area. This could include beaches, parks, events, or sport ovals where there is a game in progress.</p>	 <p>You must keep your drone within visual line-of-sight. This means always being able to see the drone with your own eyes (rather than through a device, screen or goggles).</p>	 <p>You must not fly your drone over or near an area affecting public safety or where emergency operations are underway. This could include situations such as a car crash, police operations, a fire or firefighting efforts or search and rescue.</p>	 <p>If you intend to fly your drone for or at work (commercially), there are extra rules you must follow. You will also need to register your drone and get a licence or accreditation.</p>
 <p>Remember, you must not operate your drone in a way that creates a hazard to another aircraft, person or property.</p>	 <p>Respect personal privacy. Don't record or photograph people without their consent —this may breach other laws.</p>	 <p>You must only fly one drone at a time.</p>	 <p>You must only fly during the day and you must not fly through cloud or fog.</p>

TV Reception

Paul Turner, President HGRRRA has been in contact with Emma Kealy's office and Dan Tehan's office on the matter of TV reception. Some action now seems to be happening in that Dan Tehan has contacted Cr. Trevor Gready and asked him for names of people who have issues with TV reception.

This was required in by the 26 March however it is not too late to register your TV reception concerns. If you are having reception issues to contact Cr. Trevor Gready at Northern Grampians Shire Council and leave their names and contact details with him.

At the time of printing Dan Tehan only has three letters of complaint and that is not enough to present a case for action on this issue.

HALLS GAP CFA

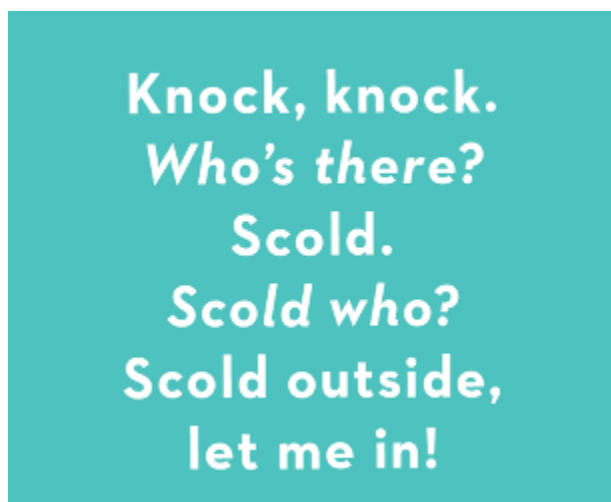

The Brigade Management Team welcomes Lieutenants Justin Cozens (Training) and Hayden Koschitzke (Maintenance), and Health and Safety Officer Rob Barto into new positions. Continuing in their BMT roles are Tina Baker (Community Safety), Judy Hilbig (Communications), Marilyn Andrews (Secretary/Treasurer), Darren Linke (1st Lieutenant) and Peter Hilbig (Captain). Thanks to former lieutenants Will Hudson and Roy Clapp who have provided leadership over the past few years but have chosen to step out of the Management Team.

The CFA and Northern Grampians Shire have determined that the fire restriction period will end on Tuesday 6 April at 1:00 am. Until then, fires are permitted only for warmth and cooking, and must be in a constructed fireplace or in a minimum 30 cm deep hole surrounded by bricks, rocks or solid metal. Visitors and guests may need to be reminded of this, and all need to be aware that police are called to every inappropriate fire during the fire restriction period which does not end until after Easter. <https://www.cfa.vic.gov.au/warnings-restrictions/can>

When restrictions do finish, it is time to start clearing and cleaning in preparation for next summer. Remember to get a permit to burn if you live in a residential area, and always register your burn so emergency services know where to expect fire activity. <https://www.cfa.vic.gov.au/contact/register-your-burn-off>

We have at last returned to training twice each month – first and third Wednesdays at 6:00 pm. During March we learnt and practised pumping operations using both our tankers, building on skills introduced by the regional instructor in February. Our next training calendar will be set up soon by the new Brigade Management Team.

We are continually recruiting new members, and training opportunities for volunteers are coming up soon in Ararat. Not everyone needs to be a firefighter. Communications, maintenance, and logistics provide opportunities to engage with the brigade. Call or SMS Peter if interested, 0437 524 716.

HG Botanic Garden Update—Just a brief note.

Thank you to those who came to the working bee last Friday. We started working on the much neglected wetland area, weeding and mulching. Next working bee on the Friday 9th April we will continue in this area. Plus we did the usual mow and tidy and some repairs to the kids' area.

Mystery mounds in the mud

Join us for a walk through the Blythwood Forest to look for some mysterious earthen mounds and discuss a range of possible functions and implications for the

significance of the forest.

Walk will be guided by Graham Parkes (past Chief Ranger of Grampians National Park), and the background talk by archaeologist Ben Gunn.

We will meet at the corner of Blythwood Rd and Stawell-Halls Gap Rd (c2km west of the Mt William Creek bridge) at 10 am on Saturday 10th April 2021.

Group lunch to follow in the bush (as usual, bring your own everything...and watch out for the weather)

Visitors welcome. Any and all queries to Ben on 53564282

POP UP COMMUNITY SPACE

Northern Grampians Shire Council announced the vacant lot at 99 Grampians Road in Halls Gap is set to become a new temporary community general-use space.

The land will provide a temporary space for 12 months for community events and activities including outdoor movies and more.

Council is working with a landscape artist, Felicity Brown from Iaimiga design studio in Horsham, to create an area that includes native plants and nature elements that will create a seamless blend with the surrounding landscape.

The pop-up space is funded by a grant from Business Victoria under the State Government's Outdoor Dining Package. It will provide a comfortable engaging space where patrons can BYO food and drinks and enjoy the natural surroundings.

Northern Grampians Shire Council Mayor, Murray Emerson, said the new park will be a wonderful addition to the Halls Gap Streetscape.

"Council is very pleased to be able to utilise this prime piece of land for something the whole community can use and benefit from," he said.

"We know Halls Gap businesses in particular have been hit hard by the Coronavirus Pandemic and we are hopeful this activation space/pop-up park/outdoor dining area will allow for more people to take advantage of the wonderful offerings of the town.

"I encourage everyone to come along to the upcoming information session about the project to make sure the community's needs are reflected in the park's design."

A meeting took place with the Project Manager Lisa Whyte and landscape architect Felicity Brown on Saturday 27 March where locals were able to view and discuss the concept design for the park.

HALLS GAP PRIMARY SCHOOL

Halls Gap Primary School had a fantastic day at the 2021 school sports, taking out the trifecta! We won the Marching, Team Events and Champion School. So proud of all the students for their effort and great sportsmanship.

Halls Gap has also been involved in designing and create the tallest tower using nothing but plastics cups.

Grade 5 and 6 participated in Maths Olympics at Stawell Secondary College as part of their Transitioning Days to Secondary College. The whole school participated in Cross Country with Concongella and Great Western Primary Schools. As part of our "Space" theme for this term we travelled to Bendigo to the Bendigo Discovery centre Planetarium. To finish the term we had a Space Dress up day. We have a jammed pack term.

Don't forget the Halls Gap Primary School Market on Easter Sunday at the Recreation Reserve, where also JSC will be selling raffle ticket for the Easter Raffle. Have a great Easter from Halls Gap Primary School Staff and Children.

Shakespeare returns to Grampians

After a challenging 12 months of cancellations and lockdowns, OZACT is celebrating a return to performances with A Feast of Shakespeare at Heatherlie Quarry in the Grampians next week.

A Feast of Shakespeare will bring abridged Shakespearean classics Macbeth, Pericles, King Lear and The Tempest to the mountain setting at 3pm on Saturday and Sunday.

Established in 1995, the company is renowned for its productions of Shakespeare at spectacular wilderness, heritage and garden settings.

Heatherlie Quarry, with its sheer rock faces, historic stone buildings and dramatic mountain scenery, has been a regular setting for OZACT performances.

Artistic director Bruce Widdop invited newcomers and established fans to sample the Shakespeare selection.

"This is Shakespeare for all tastes, with powerful acting, moving tragedy, tender romance, uproarious comedy and unearthly magic that is sure to satisfy in this most historic setting of Heatherlie Quarry," he said

OZACT comprises company members Bruce Widdop, Matt Young, Lisa Widdop, Sorcha Breen, Ryan Ireland, Eleanor Ruth and Luke Ingram.

This production provides audiences with an opportunity to enjoy outdoor entertainment.

Tickets are \$40 for general admission and with numbers limited due to COVID-19 restrictions, organisers have encouraged patrons to book early online at www.ozact.com.

Grampians Wine Masterclass events

Friday 30th April & Saturday 1st May

(Weekend of the unfortunately postponed @ggefest)

Two special masterclass events hosted by Simon Freeman. For each two-hour event, Simon will be accompanied by three of the best winemakers in the region, who will present some of their very best wines. You will hear the stories behind the wine, their history and the people responsible for making them.

Each event will include 6 wines, with a mix of white and red. A grazing plate of fine cheese and charcuterie will be provided to enjoy alongside the wines. The events will be held at the beautiful Pomonal Hall, just 12km from Halls Gap. Each masterclass is strictly limited and demand is expected to be high – so book early!
