## FROM THE GARIWERD SIX SEASONS CALENDAR

petyan

season of wildflowers - late spring  
(late august to mid november)

### Wildlife and Wildflowers

In spring (season of wildflowers or petyan), the bush bursts into life. Nature's rock gardens amaze. The days are warmer, although the weather can still be tempestuous.

## Voice Community Gathering

Saturday 26 August, 10:00am – 12:00pm,  
Halls Gap Recreation Reserve

On Saturday 26th August the local community of Halls Gap and surrounds and Reconciliation Victoria gathered. Co-Chairs Uncle Shane Charles and Professor Andrew Gunstone provided information on the upcoming referendum on The Voice.

There was robust discussion and mostly respectful discussion on the pros and cons of changes to our constitution.

After the speakers there were more discussions in smaller groups whilst enjoying a delicious lunch.

To finish the event Janet Witham read out Oodgeroo Noonuccal/Kath Walker's (1920-1993) poem written in the 1960 "A Song of Hope". Oodgeroo Noonuccal under her name Kath Walker was the first known published indigenous poet. This poem was published in a collection of her poems "We Are Going" in 1964. It's as relevant today as to when it was written in the 1960's.

## A Song of Hope

Look up, my people,  
The dawn is breaking,  
The world is waking  
To a new bright day,  
When none defame us,  
No restriction tame us,  
Nor colour shame us,  
Nor sneer dismay.

Now brood no more  
On the years behind you,  
The hope assigned you  
Shall the past replace,  
When a juster justice  
Grown wise and stronger  
Points the bone no longer  
At a darker race.

So long we waited  
Bound and frustrated,  
Till hate be hated  
And caste deposed;  
Now light shall guide us,  
No goal denied us,  
And all doors open  
That long were closed.

See plain the promise,  
Dark freedom-lover!  
Night's nearly over,  
And though long the climb,  
New rights will greet us,

New mateship meet us,  
And joy complete us  
In our new Dream Time.

To our fathers' fathers  
The pain, the sorrow;  
To our children's children  
The glad tomorrow.

**Gold Coin Donation**  
Activities suitable for 5-13+ years

Unfortunately we were not successful with the grant to put a mural by local artists on the outside wall of our shelter but we will be applying soon to the

shire who are seeking more public art displayed in the shire.

The very popular Pomonal show of native plants will be on the first weekend of October. This year the theme is eucalypts so we are going to have our eucalypts in the garden labelled and will design a walk to enjoy them, and publish it to be available at their show.

As you know, now that we no longer have a wildflower show in Halls Gap we have a large table at their show where we can display Grampians flowers, and I hope we can sell wildflower walk notes with profits going to the HG Botanic Garden.

Because we expect more visitors to the garden, and because many of our volunteers have been away, we will be having working bees every Friday this month, plus some Mondays and Tuesdays.

#### Can you put these dates in your diaries please:

Friday 8 September, Tuesday 12 September, Friday 15 September, Monday 18 September, Friday 22 September, Monday 25 September, Friday 29 September. We start about 9.30 and finish at lunchtime. If you want to help but these dates don't suit please contact me on 0429201139.

### HALLS GAP RATEPAYERS ASSOCIATION

Meetings will be held on Wednesday 6 September and 6 December 2023 at 7.30pm in the Supper Room at Centenary Hall, Halls Gap.

All Residents and Ratepayers are invited to attend.

### COMMUNITY ASSOCIATION OF HALLS GAP

Meetings held Monday 4th September and 4th December 2023 at 4.30pm in the supper room at the Halls Gap Centenary Hall.

All locals are welcome.

### Feral Sighting

Wednesday 30th August 2023 40+ deer mothers and juveniles sighted lower paddock opposite NRMA caravan park near Delleys Bridge.

Its getting beyond a joke. ParksVic needs to take action to restrict the damage these ferals do to our National Park.

**Compassion**

Northern Grampians Shire Council have received funding for the return of Gatherings for 2023 in Halls Gap and St Arnaud.

**Gatherings 2023 Moth Trail Halls Gap:** Snappy Gappians and ACT Natimuk have joined forces with the support of Halls Gap Neighbourhood House and the broader Halls Gap community to deliver a return of the hugely successful Moth Trail for Gatherings 2023.

Despite the original Moth Trail 2022 being a Winter event, it attracted many visitors and generated much excitement. In 2023, we build on the energies and success of the Gatherings 2022 to re-activate the public spaces of Halls Gap in a Moth Trail of spectacular community generated and participatory projection and light artworks.

**When** Saturday Oct 21<sup>st</sup> 2023 7 – 10.30 pm (Wet weather contingency Sun Oct 22<sup>nd</sup>)

**Where** Gather from 7 pm at the Pop Up park for AR activated mural and music.

Lights on for the Moth Trail from 8.30 and follow the trail past the swimming pool, into the Botanical Gardens and Primary School.

**Want to get involved and learn some new skills in projection?**

ACT Natimuk will run a projector skills workshop to skill up a crew of volunteers to do a 1 hour shift each on supporting a projection/light artwork on the night.

Also seeking volunteers to be part of a team that help set up on the 20<sup>th</sup> and 21<sup>st</sup> Oct.

### **Giant Of The Forest**

Words and Music by Glyn Lehmann

I fell to the earth  
A tiny seed  
Five hundred years ago  
Struggling and striving to grow straight and strong  
Here in my mountain forest home

I am Centurion

I have seen fires raging over ridges  
Skeletons left in their wake  
I have heard the steel blades  
Tearing through the tall trees  
The crack and the crash as they fall

Still...

I am Centurion  
Giant of the forest

And when my life ends  
A seed will fall  
Onto the earth below  
Struggling and striving to grow straight and strong  
Here in my mountain forest home

Rising up  
Striving for life-giving light  
Down, down, down  
Delving down deep  
Into Earth's damp fertile soil

## Halls Gap Landcare Update September 2023

Around Halls Gap and along the roadsides we are seeing an extraordinary flowering of various wattles. Most wattles are important plants in our natural environment, adding nitrogen to the soil and providing food for small arboreal mammals, such as Sugar Gliders.

Two species found in Halls Gap have been planted here and are outside their natural range. The Sallow Wattle and the Cootamundra Wattle, both magnificent when in flower, grow too well in our area, spread easily and can dominate local vegetation.

### Sallow Wattle - *Acacia longifolia*

Sallow Wattle invades woodlands and will take over large areas if not controlled. Flowers in August and September and produces large numbers of seeds spread by ants and birds. Many species of *Acacia* which belong in the Grampians are a much better option for planting, such as Golden Wattle - *Acacia pycnantha*.

Sallow Wattle

### Cootamundra Wattle - *Acacia baileyana*

A native plant from New South Wales, this wattle has become invasive outside its natural range, spreading from seed drop and by birds. Its gray-green foliage and clusters of bright yellow flowers in late winter and Spring make them tempting to plant.

Cootamundra Wattle

## Activities Update – 31st August 2023

August has been another busy month again down at the shed with our members involved in various activities. On Thursday 7<sup>th</sup> September from 12pm we are having a BBQ lunch to celebrate 30 years of men's sheds in Australia. We would like to invite the community to attend and help us celebrate this milestone.

Monday's from 9-30am we meet for our weekly social session where we usually solve a variety of the world's problems over a hot cuppa and snack. Every Monday morning we are running a woodwork session with students from Pomonal Primary school, which is a great time for the students and our members alike.

Thursday's from 9-30am we have had busy Project sessions with lots of different projects on the go in the workshop. We also have a BBQ lunch at one of these sessions per month.

Wednesday from 1pm in the meeting room we have had our Patchwork session with members doing a variety of patchwork and sewing projects.

Second Tuesday of the month from 10am we had our computer Smart phone session with Moya and also had a lunch together. Some members are becoming so computer literate that it's scary.

We are pleased that the Mixed bunch Art Group are enjoying using our meeting room for their sessions.

The last Sunday of each month we run our (now quite famous) sausage sizzle at the Pomonal market. This helps us raise some much-needed funds as well as being a great social time for all involved. It is also a great way of showing potential new members through the shed and explaining some of our various activities.

We are very pleased that the social side of the shed is running very well. Comradery is very high within the members and our support networks are meeting a variety of personal and mental health needs.

The shed is very welcoming to new members, or anyone interested, feel free to drop in and have a look at what we are up to or for any information contact Russ Kellett on 0438 024 929.

## Wildlife with Neil Yellow-tailed Black-Cockatoo – *Calptorhynchus funereus*

Keep a lookout for this beautiful large black cockatoo that will be back in our area in the next few weeks. Look for them feeding in paddocks in the Pomonal area. It is a large, slender, dark cockatoo with pale yellow cheek patches and tail panels and a distinctive wailing call.

**Description:** - 58-65cm

**Adult Male** – plumage dull black, except for pale yellow 'ear' patch and pale yellow tail panels variably vermiculated with brown-black. Body feathers narrowly fringed pale yellow. A short crest curves forwards over top of bill forming a distinct 'bob' over forehead. The bill darkens with age dark grey, skin around eye purplish pink.

**Adult Female** – similar but has larger and brighter yellow ear patches, more heavily vermiculated tail panels, dark grey skin around the eye and an off white bill.

**Juv.** – best distinguished by continuous rasping begging calls.

**Flight:** - pattern and silhouette distinctive, buoyant and majestic, with slow, leisurely wingbeats, the long tail and wings imparting a slender, elongated appearance.

**Voice:** - Frequently heard before seen. Contact call is distinctive, a loud, sad, wailing *whee-la* frequently given in flight and upon alighting. Alarm call is a harsh screech similar to Sulphur-crested Cockatoos.

**Notes:-** Mostly a bird of eucalypt forests, from the coast to subalpine. Breeds in the ranges and after breeding aggregates in (large) roving flocks and disperses to coastal banksia woodlands, heath, pine plantations and city parks. Eats seeds of Eucalyptus, Banksia, Hakea, Grevillea; and exotic pines. Also extracts plump, wood-boring larvae of cossid moths and beetles from trees by gouging wood to a depth of many cm with its powerful bill.

# Grampians (Gariwerd) National Park Information and Access Update

25 August 2023

Grampians (Gariwerd) National Park may have closures in place due to natural events (storms, floods, and bushfires), park operations, or planned works. Before visiting the park, check for closures below or on the change of conditions page on our website. Please follow signs and notifications and do not enter closed areas.

## Information Updates

### Events

The WONDERLAND RUN 2023 is a weekend trail running event being held in the Halls Gap/Wonderland area of the Park on August 26-27, 2023. It is organised by Adelaide Trail Runners/Detour Sports. The timing of the trail running program is outlined below.

Saturday 26/8	Sunday 27/8
1pm - 2km	7:00am - 50km
2pm - 8km	7:30am - 20km
	8:00am - 36km

The Start/Finish at for all runs is Halls Gap.

The trail running courses will be held on a number of walking tracks, with several marshalled road crossings and event stations in place at several visitor sites.

If you are visiting the area on these dates and require more detailed information, visit Brambuk the National Park and Cultural Centre at 277 Grampians Rd, Halls Gap. Open 9am to 5pm, 7 days a week. Contact Brambuk at (03) 8427 2258 or [brambuk@parks.vic.gov.au](mailto:brambuk@parks.vic.gov.au)

## Roads and 4WD Tracks

**Multiple roads/tracks are temporarily closed due to storm damage, high creek crossings or water over roads.** Please visit our website for the latest update. Visitors are asked to drive to conditions and not enter closed areas.

**Seasonal Road Closures** apply to areas within and tracks bordering the National Park. See [MapshareVic](#) for locations of the closures. Please visit the [seasonal road closures](#) page for more information.

The **recent reopening** of Red Rock Road and Lodge Road provides improved access to the western areas of the park.

## Day Walking and Visitor Sites

Late winter weather conditions may impact on your walking experience. Stay safe and get the most out of your visit by preparing for natural hazards and other outdoor risks in Victoria's parks. You are responsible for your own safety and the safety of those in your care. [www.parks.vic.gov.au/get-into-nature/safety-in-nature/visitor-safety-tips-in-parks](http://www.parks.vic.gov.au/get-into-nature/safety-in-nature/visitor-safety-tips-in-parks)

### Mackenzie Falls

In the interest of visitor safety, access to the rock shelf opposite the waterfalls remains closed and the rock stepping stones over the river have been removed to help to manage the risk under the falls.

### Grand Canyon

The steel staircase at the south-eastern exit of the canyon is closed due to an engineering issue. The Grand Canyon remains partially open as a return walk from Wonderland Carpark. The Pinnacle Walk remains open via the Grand Canyon bypass walking track.

### Silverband Falls walking track

Please note that the track has temporarily changed from a walking Grade 2 to Grade 3 in difficulty, impacting accessibility. Grade 3 includes short steep sections, rough surface areas and occasional steps. The change is temporary, and Silverband Falls track will be returned to a Grade 2 track via future flood recovery works.

## Campgrounds

**Kalymna Campground** is temporarily closed due to minor flood damage and water over access roads.

## Overnight Hiking

### Fortress Overnight Hike

While Parks Victoria and Traditional Owners determine a longer-term management response to rediscoveries of

cultural heritage in Oasis and Fortress hike in camps, and out of respect for this significant cultural landscape, visitors are requested not to camp in this area. Instead, we request you set up camp 150m outside of the Fortress Hiker camp, towards Mt. Thackeray and away from the cliffs and shelter areas.

## Rock Climbing

Rock climbing access has changed in Grampians National Park. The Greater Gariwerd Landscape Management Plan was released in 2021 to ensure that rock climbing can continue in Gariwerd in a sustainable way. We know there have been significant changes to rock climbing in Gariwerd and Parks Victoria will continue to work with climbers to achieve a balance between conservation and recreation.

## Grampians Peaks Trail

### Upcoming changes to the GPT booking system

We are currently improving the Grampians Peaks Trail booking system to make it easier to book and provide more flexibility in how you plan your hike.

The improvements, which are expected to be complete by end-September 2023, will give hikers the ability to:

- Skip a hike-in campground to hike longer distances in a single day
- Hike in either direction - north-to-south (recommended) or south-to-north
- Start at more points along the GPT to enable more single-night hikes
- Add extra rest day(s) in Halls Gap (if hiking through)
- Book easily using an interactive map (rather than by set itineraries)

### GPT Access Points

Road access (Griffin Track) to the **Griffin Trailhead** for the Grampians Peaks Trail is currently closed to vehicles due to poor road condition. Walkers can access the GPT on foot via the Griffin Track from the Grampians Tourist Road.

**Redman Road Trailhead** carpark is currently closed. The nearest site for parking is at Borough Huts Campground.

### Securing your food storage

Food scraps and unsecured food can attract animals along the Grampians Peaks Trail, specifically at hike-in campgrounds. It is important that your food is stored securely and that you do not leave food unattended.

### Water provisions on Grampians Peaks Trail

Water may be available at hike-in campground water tanks, depending on seasonal rainfall. Parks Victoria regularly services the following water tanks along the Grampians Peaks Trail:

Section	Location
N1	Mt Zero Picnic Area
N1	Coppermine Track Crossing
N2	Gar Trailhead (Roses Gap Road)
N4	Mt Difficult Road Crossing
C1	Sundial Carpark
C2	Bugiga Hike-in Campsite
C3	Redman Road Crossing
C3	Mt William Road 2
C4	Mt William Summit (Helipad)
C5	Jimmy Creek Road Crossing
S1	Yarram Gap Road Crossing
S2	Wannon Hike-Campground
S2	Griffin Trailhead
S3	Djardji-djawara Hike-in Campground
S4	Dunkeld Reservoir Road Crossing
S4	Mt Sturgeon MVO road crossing

For more information on preparing for the Grampians Peaks Trail or other overnight hiking options refer to the 'Plan and Prepare Guide' on the Grampians Peaks Trail webpage before setting off on your hike.

## Further Park Information

### Brambuk the National Park and Cultural Centre

While the Aboriginal cultural centre building is closed for refurbishment, the information centre building is open along with the café and gift shop. Take a stroll around the native gardens and wetlands, or view kangaroos and emus and a range of birds in the rear boomerang paddock, Fyans Creek Loop walk.

Park Information services are available to visitors at Brambuk the National Park and Cultural Centre. Open 9am to 5pm, 7 days a week. Contact Brambuk at (03) 8427 2258 or [brambuk@parks.vic.gov.au](mailto:brambuk@parks.vic.gov.au), or contact Parks Victoria by calling 13 1963 or visiting [www.parks.vic.gov.au](http://www.parks.vic.gov.au)

## HALLS GAP MARKET

The Halls Gap Market was established in 1997 and is proudly brought to you by the Halls Gap Primary School. Located at the base of the Wonderland Range (Grampians) on the Halls

Gap Recreation Oval, Grampians Road, this truly unique market is a must.

The Halls Gap Market is an outdoor market and boasts a range of high-quality stalls offering arts, crafts, fresh produce, plants, fine food, coffee and more. School families volunteer to run the website, booking system, set-up and general organisation of the day. The students make and sell products, learning customer service, organisation and marketing skills along the way. There is also a fantastic raffle each market with great prizes. All proceeds go to the Halls Gap Primary School to purchase resources and engage relevant programs.

Please check the website for information on becoming a stall holder:
